Henry Heil

Joplin, MO | (417)-396-8827 | haeheil3677@gmail.com

EDUCATION

Truman State University, Kirksville, MO — May 2029
Bachelor of Science in Statistics and Environmental Science — GPA: 4.00/4.00

RELEVANT COURSEWORK

Physics I (PHYS 195): Introduced basics of physics such as Newtonian mechanics and kinetics, placed emphasis on applying concepts in calculations, used techniques from Calculus I to derive formulas and work problems involving projectile, rotational, and oscillatory motion
Analytic Geometry and Calculus III (MATH 264): Expanded concepts from Calculus I and II to work in and visualize three dimensional space, culminating in the introduction and application of Green's Theorem, explored applications in physics with problems involving density, work, and torque
Chemical Principles I (CHEM 130): Introduced fundamental concepts in chemistry including stoichiometry, thermodynamics, the quantum model of the atom, Lewis structures, and VSPER theory, applied in a weekly lab through experiments and related calculations

EXPERIENCE

Joplin Public Library — Joplin, MO
Teen Department Volunteer — 05/2022-08/2025

- Created the Library Teen Department's chess club and facilitated monthly meetings, providing a welcoming environment and chess instruction for over 30 Teen Department patrons
