Henry Heil

Joplin, MO | (417) 396-8827 | henryaheil@gmail.com | linkedin.com/in/henry-a-heil/

Summary

Sophomore Statistics and Environmental Science student with experience facilitating a constructive and inclusive environment in a variety of group settings. Confident working and communicating effectively in professional settings, and using tools such as Zoom, Google Meets, Drive, Docs, Sheets, and Microsoft Word and Excel. Interested in gaining experience in applying skills in statistics and data science in a professional environment.

EDUCATION

Truman State University — Kirksville, MO
Bachelor of Science in Statistics GPA: 4.00/4.00 — May 2029
Bachelor of Science in Environmental Science GPA: 4.00/4.00 — May 2029
Minor in Mathematics

RELEVANT COURSEWORK

- **Fundamentals of Data Science (DATA 222):** gained skills in R, Excel, and PowerBI to manipulate, analyze, and visualize data; learned how to build and explain regression, CART, and random forest models.
- **Introduction to Computer Science (CS 170):** introduced to basic Python, including the use of variables, functions, loops, algorithms, data types, and graphics.
- **Introduction to Ecology (BIOL 301):** introduction to the scientific techniques and reasoning used to understand the abundance and distribution of species. Field skills (sweep netting, mark-recapture, species identification) and statistical analysis (Regression, t-test, accompanying visualizations, Excel Analysis Toolpak) and writing skills developed in laboratory component.

EXPERIENCE

Truman State University — Kirksville, MO
Learning Fellow, Fundamentals of Data Science — 01/2026-present

- Teach computer labs of 15-20 students twice weekly, demonstrating techniques in R, Excel, and PowerBI
- Respond to students' questions and provide assistance via email and during lab time
- Grade and provide feedback on homework and lab assignments for around 65 students (across sections) weekly

Art of Problem Solving — Remote
Grader — 01/2026-present

- Grade 5-10 math and physics writing problems on days when available
- Provide specific feedback on both technical rigor and writing style of students' solutions
- Maintain positive tone and provide mentorship for students in classes ranging from prealgebra to calculus

American Statistical Association, Truman State University Chapter — Kirksville, MO
President — 08/2026-present

- Collaborate with others to organize meetings for 5-10 students, including study nights and data-oriented projects
- Coordinate with faculty member and university staff to ensure paperwork and deadlines are met

SKILLS

Tools & Software: R, RStudio, Positron, Python, Jupyter notebooks, VisualStudio Code, Microsoft Word, Microsoft Excel, Zoom, Google Sheets, Google Docs, Google Drive, Google Meets

Professional Skills: Professional communication, problem solving, time management, working collaboratively, conflict resolution, presenting to groups
